NAZMUL HAQUE SAJOL

WORDPRESS DEVELOPER

DHAKA, BANGLADESH +8801787332124 NHSAJOLBD@GMAIL.COM

PROFILE

With 8+ years of experience, I'm a WordPress Developer specializing in custom theme and plugin development, performance optimization, and scalable website architecture. I build high-quality, secure, and user-focused websites, including advanced custom solutions, API integrations, and optimized e-commerce platforms. From complex business websites to conversion-driven designs, I deliver results that combine technical expertise with practical problem-solving.
